FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections** assume this proposal would not fiscally impact their agency.

Officials from the **Cass County Sheriff's Office** stated their facilities are designated tobacco-free, and therefore, this proposal would not have an impact to their agency.

Officials from the **Cole County Sheriff, Boone County Sheriff, Bates County Sheriff** and the **Cape Girardeau County Sheriff** offices did not respond to Oversight's request for fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal excludes commercially produced tobacco products from those items or substances which people cannot knowingly deliver or conceal in a county jail or correctional facility.

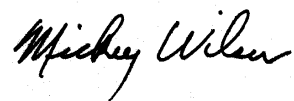

Currently, it is a Class D felony to bring any alkaloid or spiritous or malt liquor into a correctional facility and the definition of alkaloid includes those substances with nicotine.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
